

Dear Partners,

We are honored to invite you to participate in the **XIX International Aviation-Automotive Staff Week** organized by **Lublin University of Technology**!

This time, we will focus on two fascinating areas closely associated with the profile of our university i.e. aviation and automotive projects.

The event will take place from **20th to 24th of October** and will offer the opportunity to attend:

- **workshops** conducted by our specialists,
- **presentations** of our achievements,
- laboratories, **wind tunnel** and prototypes of different vehicles,
- **discussions** and expert panels that will allow a deeper insight into these topics from various perspectives,
- visit to **an automotive museum**.

This event is a perfect opportunity to exchange experiences, establish international contacts, and enrich your knowledge of modern trends. We warmly invite teachers, researchers and administrative staff who are passionate about technology.

Deadline for applications: 19.09.2025
