On this occasion, the International Relations Office is organizing a series of events aimed at promoting international mobility among various audiences: students, administrative staff, and academic staff. We are also eager to highlight the important role of our partner universities, and we would be delighted to welcome you for a **job shadowing experience** from **March 16-19, 2026**

The program includes:

- An introduction to the University of Strasbourg and its operations
- Engaging discussions with our International Relations Team
- Cultural visits (European Parliament)
- Opportunities to meet with our administrative and academic staff within the faculties

Would you like to participate?

Please contact us at dri-partenariats@unistra.fr by February 1st, and we will send you the registration form.

This staff week is **eligible for Erasmus+ funding**.

*Please note: **The International Relations Office will be closed from December 20 to January 5. We will respond to your messages as soon as possible upon our return.***
