

Dear colleague,

I am delighted to invite you to the upcoming **International Staff Week 2026** at University of Hradec Králové (UHK), titled “**Connecting Minds Digitally.**” The event will take place **from 20 to 24 April 2026** in Hradec Králové, Czech Republic.

As a valued colleague from a partner institution, your participation would bring a rich perspective to our gathering. The week will offer a dynamic mix of **interactive workshops, discussions, networking sessions**, and opportunities to **share best practices** — all centered around how **digitalisation** is reshaping higher education, fostering innovation, and enabling international cooperation in the digital age.

Alongside the professional programme, we will also organise social and cultural activities, giving you a chance to experience the historic city of Hradec Králové and engage informally with peers from across Europe.

Please register by 31st January via [this registration form](#).

More details on the [website](#), in the preliminary [programme](#).

Please note that this Staff Week has a participation fee €100.

We hope to welcome you to Hradec Králové next spring.

Best wishes,

Tomáš Herčík
