

Dear educational institution,

We are pleased to share with you the dates of our upcoming **Erasmus+ Training Courses** for 2026. These programs are designed for teachers and education professionals who wish to develop new skills, explore innovative tools, and connect with colleagues from across Europe.

Below you will find the list of available courses:

February 2026

From Burnout to Balance: Tools for a Purposeful Life in Education and Beyond

 02/02 – 06/02

Connection without Borders: Communication and Emotional Intelligence in Diverse Classrooms

 02/02 – 06/02

Digital and AI Tools for Innovative Teaching

 16/02 – 20/02

ICT and Digital Tools in Education

 16/02 – 20/02

March 2026

Values-Based Leadership for Educators and Change Agents

 02/03 – 06/03

Teaching with the Heart: Cultivating Connection, Creativity and Presence in the Classroom

 02/03 – 06/03

 **April 2026**

Education with Purpose: Leadership, Well-Being, and Connection for Transforming Classrooms and Communities

 13/04 – 17/04

Sustainability and Climate Change Education

 20/04 – 24/04

Climate Change Literacy for Transformative Education

 20/04 – 24/04

All courses are eligible for **Erasmus+ KA1 funding**.

More details about each training can be found on our website:

 <https://www.hiperactivity.com/training.html>

If you need assistance with programme selection, documentation, or logistics, our team will be happy to help.

For more information or to register, feel free to contact us at:

 info@hiperactivity.com

We look forward to welcoming you and supporting your professional development journey.

Best regards,

The Hiperactivity Team
