

Challenges of Climate Change in a Comparative Perspective – 2nd edition 2026

<u>General information</u>
<p>Objectives and Description:</p> <p>The program aims to revive the tradition of comparative law trainings offered by the prestigious <i>Faculté internationale de droit comparé</i> de Strasbourg to mixed groups of European students. The activities will focus on the salient topic of the environmental law, that will be approached both from an international and from plural national perspectives.</p>
<p>Methods and outcomes:</p> <p>The students will be offered an introduction to the method of comparative law and the opportunity to practice it through exercises based on environmental law issues, including a moot court</p>
<p>Field of Education:</p> <p>Law</p>
<p>Target audience / Participants profile:</p> <p>Law students, including PhD students</p>
<p>No of ECTS issued:</p> <p>3 ECTS</p>
<p>Language of instruction and requirements:</p> <p>English and French. A minimum level of B2 is required for both languages</p>
<p>Dates for physical activity:</p> <p>24-30 May 2026</p>
<p>Location of physical activity:</p> <p>Universitatea de Vest din Timișoara</p>
<p>Dates for virtual component:</p> <p>4-22 May 2026</p>
<p>Virtual Component Description:</p> <p>general presentation of the program and of the working methods, intensive lectures on environmental law and comparative law, indication of the readings to be carried out in preparation for the Timisoara session and research themes to be distributed among the students</p>
