

The Aristotle University of Thessaloniki cordially invites you to its **15th Erasmus Staff Training Week** which will be held in **Thessaloniki, Greece** from the **7th till the 11th of December 2026**, dedicated to exploring and enhancing Higher Education Partnerships.

In an era where the volume and complexity of student mobilities continue to grow, ensuring their academic, professional, and personal quality has become a strategic imperative. This week will bring together IRO professionals, academic experts, and project representatives to explore practical frameworks, share methodologies, and co-develop tools that elevate the quality and impact of the mobility experience — from classroom integration to linguistic inclusion and beyond.

15th ESTW will be also organized as an Erasmus+ BIP for staff members. Therefore, **no fees will apply** and all mobilities could be refunded by the Erasmus+ programme.

LANGUAGE: English

TARGET GROUP: Academic and administrative staff members from higher education institutions involved in the management and development of international partnerships. A limit of two representatives from the same institution shall apply.
