

Dear Partners,

Greetings from Duisburg-Essen.

We are proud to announce that we are co-organizing an **International Staff Week titled “Strengthening Erasmus+ Offices: Digital and Non-Digital Solutions”**.

In collaboration with Riga Technical University and the University “G. d’Annunzio” Chieti-Pescara in Italy, we are offering this International Staff Week as a **Blended Intensive Programme (BIP)**.

The BIP includes a virtual session on 15 September 2026 and an in-person week from **19 to 23 October 2026**. The in-person part will be held at **Riga Technical University in Riga, Latvia**.

Overall, the program aims to foster internationalization and global collaboration. Furthermore, participants can expect topics such as mobility management software, finding the right balance between digital and non-digital solutions and enhancing the well-being of international mobility coordinators.
