

Dear colleagues,

We are honored to invite you to the Staff Week Event, which will be hosted for the third time by Bursa Uludağ University at the main campus in Bursa, the capital of history and culture, from October 12-15, 2026. The University, located in Bursa, comprises 15 Faculties, 2 Vocational Schools, 15 Vocational High Schools, 1 Conservatory, 4 Institutes, 27 Application and Research Centers, and 1 Research Center.

Applications for the event, which will be accepted from June 15 to August 28, 2026, will be limited to 20 participants to facilitate the sharing of experiences and ensure more effective communication with academic and administrative staff. Special attention will be given to international diversity to ensure the event is productive for all participants, and applications will be evaluated with this criterion as a priority. We aim to conduct the event with a limited number of participants from each university to promote collaboration with partner universities through the resulting diversity.

The purpose of this event is to get to know you, our valuable participant universities, and colleagues closely, and to enable our university students to make more informed choices regarding their learning mobility by meeting you. In addition to presentations and fair activities, the event will include faculty and department visits, social events and tour of the city and will conclude with training and teaching sessions.

The application form is: <https://forms.gle/R2qGTKPL2sjmfuod6>

We kindly ask you to share this email with colleagues who may be suitable for participating in this event. Selected participants will receive detailed program information along with their confirmations via email in early September.

If you have any questions, please do not hesitate to contact us at erasmus@uludag.edu.tr.

We eagerly look forward to welcoming you to Bursa and our University's main campus in October 2026!

Best regards,
