What's more, all of this will happen in Olomouc - a hidden gem in the heart of Europe. With the second largest historic monument zone in the country, there is plenty of beauty to see and discover in Olomouc. We will take you on a tour of the city, making sure to show you all the 'must-see' spots.

Some festive cultural activities are also going to take place and so there is plenty to look forward to. And did we mention the beautiful Christmas markets?!

See you in Olomouc!
