

**Dear partners/ colleagues,**

**We are pleased to share invitation our upcoming „Move, Learn, Connect: VEVU International Week 2026! „(Erasmus+ staff mobility KA131 & KA171).**

**We kindly invite you to share this opportunity with your academic and administrative staff.**

VEVU invites you to join us for our **V. Erasmus+ Staff Week**, designed for both **teaching and non-teaching staff** and created as a space for open exchange of experiences, knowledge and good practices from everyday professional life.

The Staff Week is designed as a **relaxed and inspiring environment** where you will have the opportunity to meet colleagues from different institutions, exchange ideas, explore opportunities for new collaborations and perhaps find inspiration for future joint projects.

The programme will be **tailored to the interests and needs of the participants**, with an emphasis on conversation, interaction and knowledge exchange rather than intensive or demanding activities.

After the busy start of the academic year and new project challenges, this is an opportunity to **slow down, step outside your everyday routine, look at your work from a fresh perspective and meet people with whom you might create something new.**

**Come, share, connect and get inspired!**
