

Dear colleagues,

University of Latvia FinTech Business School (former Banku augstskola) is pleased to invite academic staff from our partner universities to participate in the International Guest Lecturer Week, organized from **November 9 -13, 2026 in Riga, Latvia**.

The event will be hosted at University of Latvia FinTech Business School, address K. Valdemara Street 161, Riga, Latvia.

International Guest Lecturer Week aims to strengthen academic cooperation, foster international exchange of knowledge and teaching practices, and provide students with a global learning experience.

We warmly welcome lecturers and researchers with expertise in the following fields:

- Finance and Business Administration
- Cybersecurity Management
- Finance Management and Information Systems
- Financial Technologies (FinTech) etc.

Guest lecturers are invited to deliver lectures, seminars, workshops, or interactive sessions for our students and academic community. The programme will combine academic activities with networking opportunities and cultural events, allowing participants to experience Riga and Latvian culture while building international professional connections.

Participation in the International Guest Lecturer Week offers an excellent opportunity to:

- share academic expertise and research perspectives;
- develop international collaboration and future joint initiatives;
- exchange teaching methodologies and best practices;
- engage with students in an international environment.

We look forward to your participation and to fostering a dynamic and engaging learning environment together.

Further information regarding the programme, accommodation options, and logistics will be provided upon confirmation of participation.

Please be aware that event is organized under the signed Inter-institutional agreement in the framework of the Erasmus+ program and your staff participation may be financed from Erasmus+ mobility scholarship for staff assigned for each sending university.

We look forward seeing you in Riga!
