NEWTON INTERNATIONAL WEEK

Adaptive Thinking for European Leadership

February 1 - 5, 2027
at NEWTON University Prague

Deadline to register:
October 15th, 2026

NEWTON UNIVERSITY

Co-funded by the European Union

Dive deep into critical thinking and decode the truth!

THEMATIC WORKSHOPS

Understand how high-level thinking actually works. Explore cognitive ability (IQ), pattern recognition, and the limits of human reasoning. Learn why intelligent people still make poor decisions, and how to avoid it.

Lead Yourself – Emotional Intelligence & Self-Management

Master emotional control under pressure. Learn how to regulate stress, manage cognitive overload, and maintain clarity when it matters most.

Lead Well – Advanced Problem-Solving

Break down complex problems using structured thinking tools. Apply logical frameworks, challenge assumptions, and develop solutions in uncertain environments.

Lead Confidently – Decision-Making Under Pressure

Think clearly in high-stakes situations. Analyze incomplete information, avoid common cognitive traps, and make fast, effective decisions under pressure.

COST

Workshops and group excusions are fully funded by the EU. Participants are asked to contribute EUR 80 towards social program and lunch. Accommodation is not included, we may assist participants with booking accommodation near NEWTON University.

IMPORTANT INFORMATION

Program will be organised as a Blended Intensive Programme (BIP). The BIP starts in Prague at 10 AM (1 February) At the end of the BIP, you will receive a certificate, 3 ECTS, your own study materials and your final team project revealing your acquired knowledge and skills. End of the BIP: 5 February at 1PM
