Exporting Northern Excellence

INVITATION

Arctic Education Forum & Slush in Finland Nov 30–Dec 5, 2018

Welcome to explore the Finnish education system, learning environment, top-notch companies and the purest nature and snowy landscape in December 2018!

Arctic Education Forum is the perfect event for anyone interested in education to dive into the pedagogical matters of 21st century education, as well as getting to know the latest innovations, the role of entrepreneurship in studies and the environment in the educational field.

Slush, the Worlds' leading startup event will be organized in Helsinki Dec 4-5, 2018. Xcited , the most exciting EdTech and education focused side event of Slush will take place in Helsinki Dec 4. Combine these three amazing events!

SLUSH

World's leading startup event Slush in Helsinki has grown from a 300 person assembly to a world-renowned event, now spreading globally. Last time it gathered 20,000 attendees from 130 countries and 1 million live stream viewers. The philosophy behind Slush has remained the same: to help the next generation of great, world-conquering companies forward. Slush brings together the leading actors of the global tech scene to Helsinki, the Capital of Finland, for something very special. **Photo:** Kai Kuusisto, Slush. www.slush.org, www.myhelsinki.fi
