

Dear Partner,

I am glad to remind you that University of Valladolid launched its project 'Erasmus+ Teaching Staff at the Uva' at the beginning of the current year 2018.

This project makes available a list of teaching offers for foreign staff to carry out a teaching mobility period at our Institution in the framework of the Erasmus+ Programme.

Note that the offers cover all the subject areas (Arts/ Humanities, Sciences, Health Sciences, Judicial/ Social Sciences and Engineering/ Architecture) and that they have been recently updated. Please find them on the following link <http://www.relint.uva.es/incomingStaff/mostrar.asp>

I would really appreciate if you could disseminate this information among your academic staff.

Should you need any further information concerning this initiative, do not hesitate to contact me.

I thank you in advance for your kind collaboration and warm regards from University of Valladolid,  
Esmeralda
