

Dear Partners,

the ERASMUS Team of Philipps-Universität Marburg invites you to join our Erasmus+ Staff Training Week!

The event will take place on 13th – 17th May 2019!

This year, the topic will be “Quality Student Mobility: the role of skilled professionals in Erasmus+ mobility programmes” and we want to use the week to discuss about the quality of student mobility and the role of skilled staff working with (potential) mobile students.

In a number of Workshops as well as the presentation of examples of good practice, you will have the opportunity to exchange knowledge and increase linguistic and cultural competences.

Please find enclosed our preliminary program and the application form.  
We're waiting for applications until 15<sup>th</sup> March.

Please feel free to contact us, if you have any further queries.

Best regards
