

Fernando Gómez, CEO of [Training Experience \(TX\)](#).

We are a recruiting company that put in contact trainees and recent graduates directly from universities with Startups, Small-Medium Enterprises, Multinationals, and Organizations.

Our service is totally FREE for Institutions and candidates.

We would like to highlight the benefits of cooperating with us:

- 72% of trainees that we send are hired after the internship
- Employer evaluations from previous trainees
- Support with administrative documentation for internship and relocation (visas, permits, mandatory procedures,...)
- Support with applications for grants and scholarships for your students and recent graduates (not only Erasmus+)
- Personalized tips to increase the employability of your students

Moreover, here we have some offers that can suit to your students:
