

EHU Laboratory of Critical Urbanism (Vilnius) opens two Erasmus+ internship positions for two months period (July 15 - September 13, 2019).

Duties:

- to assist in organization and process of the Summer School 'Post-Nuclear Urbanism' (July 22-31, Visaginas, Lithuania) - <https://visaginas-workshop.org/>
- to document the process of the Summer School and to systematize all the visual material produced
- to assist in process of projecting School's follow-up activities (further development of Visaginas public library concept)

Requirements:

- good command of oral and written English
- interest in issues of urbanism and city development
- good communication skills
- ability and willingness to work in a team

Internship duration is from July 15 to September 13, 2019 (July 21 - August 1 in Visaginas; July 15-20 and August 2 - September 13 in Vilnius)

Workload is 25 hours per week

Application files should include CV and motivation letter, and should be sent to dr. Sjarhei Liubimau, urbanism@ehu.lt

Deadline to apply - June 24, 2019
