

Dear Partner,

We are pleased to invite you to another edition of our **International Mobility Week**, which will be held at the University of Silesia in Katowice between **25 and 29 May 2020**.

The event is addressed mainly to **administrative staff dealing with international relations** at their home institutions.

The programme of the International Mobility Week features presentations, trainings and workshops aimed at professional development and strengthening of international cooperation by encouraging the exchange of best practices and experiences. It also offers a social programme with cultural visits to the landmarks of the region, including a visit to the Culture Zone in Katowice (Silesian Museum and Viewing Tower) and to the Guido Mine in Zabrze.

Practical information on the organisation of the International Mobility Week (including the application form, preliminary programme, recommended accommodation, travel links and the city of Katowice etc.) is available on our website at: <http://erasmus.us.edu.pl/international-mobility-week>.

Participation in the event is **free of charge**. Participants are, however, expected to cover the travel, accommodation and living expenses through the Erasmus+ fund for staff training mobility (STT) available in their home institutions, or otherwise.

We can receive a total of 20 participants. In order to ensure a diversified international group, we may accept up to 2 persons per university/institution.

You are welcome to submit your **application form by 20 March 2020**. Results of the application procedure will be announced by e-mail by 1 April 2020 at the latest.

We are looking forward to welcoming you at the University of Silesia in Katowice!

[If any of your colleagues might be interested in participating in our International Mobility Week, we would be grateful if you could forward this message to their attention as well.](#)

Regards
